RAGUNANDHA M

Software Developer | Computer Science Engineer

+91 93443 96522 • dreamerday097@gmail.com • Dharapuram, Tamil Nadu, India • GH in LC

PROFESSIONAL SUMMARY

Motivated final year Computer Science Engineering student with hands-on experience in full-stack development, augmented reality application design, and object-oriented programming. Proficient in Python, Java, HTML, C#, and Unity 3D. Demonstrated ability to architect and deliver end-to-end software solutions through academic projects. Passionate about AI/ML, emerging technologies, and building scalable, user-centric applications. Actively seeking opportunities to apply technical expertise and contribute to innovative software development teams.

EDUCATION

B.E. Computer Science Engineering | V.S.B. Engineering College | AnnaUniversity | 2023 – 2027 | GPA: 8.23 | Full-time

Class 12th (HSC) | Ponnu Matric Higher Secondary School | State Board |2023 | 81%

Class 10th (SSLC) | Ponnu Matric Higher Secondary School | State Board |2021 | ALL PASS

TECHNICAL SKILLS

Languages: Python, HTML5

Frameworks & Tools: Git & GitHub, VS Code
Databases: MySQL
Concepts: Data Structures & Algorithm,Computer Networks

PROJECTS

Augmented Reality Navigation & Shopping Assistant

- Retail malls faced challenges with customer navigation, product discovery, and engagement, resulting in poor shopping experiences and lost sales opportunities. Situation:
- Designed and developed a full-stack Augmented Reality (AR) mobile application to digitally transform the in-mall shopping experience for Android users. Task:

Zoro AI Assistant

- Developed a full-stack AI assistant using Large Language Models (LLMs) to answer user queries.
- Implemented conversational AI with intelligent response generation and context-aware interactions.
- Technologies Used: Python,Google Gemini API, HTML, Git, GitHub.

INTERNSHIPS

Full Stack Development Intern | Crescent Infotech 01 June 2026 – 30 June 2026

- Successfully completed a Full Stack Development Internship.
- Worked on frontend and backend development using modern web technologies.
- Developed responsive web applications and gained hands-on experience in full-stack application development.

Web Development Intern | WE Touch Technologies 20 June 2024 – 20 July 2024

- Successfully completed a Web Development Internship.
- Developed a Travel Blog website with multimedia content, travel tips, and interactive maps.

Java Intern | Durga Tech 20 December 2024 – 18 January 2025

- Successfully completed Java Internship Training.
- Worked on Java programming fundamentals and Object-Oriented Programming concepts.

CERTIFICATES

- Google Data Analytics Professional Certificate – Coursera
- Python Essentials 1 – Cisco Networking Academy

SOFT SKILLS

- Problem-Solving
- Team work
- Continuous Learning

LANGUAGES

English (Professional Proficiency) Tamil (Native Proficiency)
